Hotel Villa Tournón

This four star hotel gives you the best value among the San José Costa Rica hotel lodging. Come and enjoy the hospitality and the tranquility of an oasis just a few blocks from downtown San José. In a central location, close to major attractions such as the National Theatre, Gold Museum or to the capital's night life.

Hotel Villa Tournón is a jewel within itself, is a fine mixture of 80 rooms: 56 standard, 23 superior and 1 suite; all completed with air conditioning, free cable Internet connection, cable TV, direct dialing telephone, tub, shower and hot water, non smoking rooms. Additionally, the superior rooms count with refrigerator and hair dryer in each room.

Restaurant Rincón Azul

We are eager for you to have the best treat. Choose from a number of outstanding international dishes. The Villa Tournon restaurant "Rincón Azul" is known as one of the best cuisine in the city of San José. Get ready to be spoiled. Seafood is one of our specialties.

Hotel El Bambú

It is located in Puerto Viejo of Sarapiquí, Heredia, only one and a half hour from the capital city of San José (82 Km).

The hotel offer 40 nice and comfortable rooms; 26 superior and 14 standards. Each features air conditioning, fan, private bathroom with hot water, cable TV, telephone, and safety deposit box. The superior rooms additionally offer a wide balcony, queen size beds and they are located in our green area with a nice view of the flora and fauna.

Our recreation area has a pool of 22 meters long for adults and another small one for children, dressing rooms and a wide terrace.

Hotel facilities: bar and restaurant. a special living room called *rancho* for conferences, meetings, recreational activities of family type or buffet service for groups of 35 to 200 people.

The hotel has developed a new and efficient friendly project to the environment, which is able to produce biogas. This project consists on a system of treatment of black waters through two biodigestors, which have the function of fermenting all the human waste in an anaerobic process (without oxygen) for the production of methane gas. This biogas can be used to generate cooking heat, diffuse illumination and refrigeration. It can also work as substitute of fossil fuel -diesel, gasoline - in motors of internal combustion of four times.

Additional services:

- Parking for 30 vehicles
- 24 hours security
- Audio and visual aids
- Ice Machine
- Credit cards
- Laundry
- Internet
- Electric generator

Hotel Gran Arenal

This hotel is about 12.5 Km (7.8 Miles) away from the Arenal Volcano, 1,3Km north from La Fortuna's park and on the countryside. This area is located outside the low risk influence zone of the volcano, making Gran Arenal a very nice and safe place to stay in La Fortuna.

At Gran Arenal we offer you 20 comfortable and independent rooms (bungalows) in a quiet, warm and private atmosphere.

Each room has an "L" shaped private terrace from which you can enjoy the creek's sounds, the natural vegetation or a very nice view of the Arenal Volcano.

In addition, each room has:

- Two full beds
- Private bathroom with hot water
- Air conditioning
- Refrigerator and coffee maker

Among others, the hotel facilities and services include: swimming pool, in-room massages, free Wireless Internet Access, laundry, and parking area.

Our breakfast area features a beautiful open air ranch house. The swimming pool area, surrounded by gardens, has great view of the Arenal volcano also.

Hotel Poco a Poco

The hotel is conveniently located just 10 minutes from one of the most famous cloud forests in the world: the Monteverde Cloud Forest Reserve. Monteverde is known as one of the most outstanding wildlife refuges in the World. In Monteverde, you will have the chance to get a real taste of Costa Rica's wild life and appreciate its flora and fauna; you may see lots of mammals, birds like the Quetzal, exotic insects and thousands of species of plants.

At the Hotel Poco a Poco, we have a total of 33 deluxe fully equipped rooms ranging from singles to doubles, triples and quadruples. They all have a comfortable private bath with a hot water shower and hair dryer. All rooms are equipped with a telephone for international calls, cable TV, DVD for watching movies that you can rent at our DVD shop, coffee maker, a safe deposit box and very comfortable orthopedic beds. Our guests may choose to enjoy our beautiful heated swimming pool and Jacuzzi; we offer excellent service in all areas including our restaurant that has the best fusion of native and foreign cuisine. All of this, in the heart of the Monteverde Cloud Forest.
